

WAVE POUCH BEGINNER'S SPECIAL

Several versions for this nice cover:

A "Wave" or rectangular flap
flexible for panties and fine linen,
cardboard with fusible for a box appearance
or quilted for a soft and cozy look

All the basic secrets to start sewing with your sewing machine
without stress. A very complete tutorial, step by step with diagrams, to guide you
until your first realization and make you happy!
But if you have already tamed your machine, it will be appreciated by
teens like adults!

TO PLAY

with color/fabrics associations and
create creations that look like you.
