[mocha]

modern + comfort

Mocha is a new women's apparel brand by Sue Kim and Veronica Yang. Mocha designs aim to be modern, natural, and comfortable, but also simple to make.

For me, shopping for clothes was always kind of stressful. It took too much time choosing, and the fitting process was also very long. It wasn't easy finding clothes that I liked. So, I decided to make my own clothing. Mocha is a brand that designs clothes that I want to wear.
